

THE PEOPLE OF GOD

THE ETERNAL PEOPLE

KEVIN BAUDER

THURSDAY EVENING, JUNE 25

God has two peoples, Israel and the church. Dispensationalists have always insisted that these two peoples are headed for destinies that are at least partly distinct. In fact, Scripture implies that God will have more than simply these two peoples. In this study we will take a look at the eschatological peoples of God.

I. What is the destiny of the church?

II. What is the destiny of Israel?

III. What other people will serve God in the end times?

IV. What happens to these peoples of God in the really, really long run?
